Circuit Safeguarding Policy

Safeguarding Children, Young People and Vulnerable Adults Policy for **Trinity Methodist Circuit**

Philosophy

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of humans in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The **Trinity Methodist Circuit** is committed to the safeguarding and protection of all children, young people and adults and affirms that the needs of children or of people when they are vulnerable and at risk are paramount.

The **Trinity Methodist Circuit** recognises that it has a particular care for all who are vulnerable whether by disabilities or by reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people. This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe, supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

The **Trinity Methodist Circuit** fully agrees with the statement reiterated in Creating Safer Space 2007:

As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

The **Trinity Methodist Circuit** recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media or human trafficking (slavery). It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.
