**June-August 2026**

Dear Friends,

We enter the final quarter of this Connexional year. As I write, the sun is shining through the study window and the manse garden is beginning to spring into life once more—a reminder that God is always at work, renewing and sustaining creation.

This quarter will be the last time Emily and I will be named as we look towards the new pastures to which God is calling us. It is also the season when many will be taking summer holidays, and I pray it will be a time of rest, refreshment, and the recharging of our batteries as we look ahead to September and the beginning of a new Connexional year.

Bible Month returns in August, and this year we will be exploring the letter to the Philippians together

“Always be full of joy in the Lord.” (Philippians 4:4, NLT)

This preaching plan for June to August invites us to journey together through the summer months, listening for God's word in both the familiar and the unexpected. In a season often marked by a change of rhythm, may these services offer space for renewal, encouragement, and deeper connection with God and with one another. May each act of worship help us to recognise God's presence in our communities and inspire us to live out Christ's love with courage and compassion.

*Grace and blessings Rev Angela*
